**PRINCIPAL
GOVT. LAHIRI P.G. COLLAGE CHIRMIRI**

Sub: providing Internet Services Of RAILWIRE.

Dear Sir,

We would like to introduce ourselves as **M/s: CITY CABLE NETWORK**, the authorised Managed Service Partner (MSP) of RailTel Corporation of India Limited for providing their Broadband service in the state of Chhattisgarh.

RailTel Corporation of India Ltd (*Under Ministry of Railways; Govt of India*) is Next Generation Telecom Service Provider formed by the turn of New Millennium. Formed in Sept, 2000 RailTel, is a "**Mini Ratna (Category-I)**" PSU and one of the largest neutral telecom infrastructure providers in the country owning a Pan-India optic fiber network on exclusive Right of Way (ROW) along Railway track. The OFC network covers all important towns & cities of the country with a fiber network of 45,000 RKM. And with the Mighty Indian Railways behind Railtel, it is pleased to offer the broadband and the **Rail Wire** services.

Rail Wire is platform through which **RailTel** is extending its broadband service to the masses. **Rail Wire** offers content & applications-driven network, flexibility & affordable pricing, all in one. **Rail Wire** is all about managing the end-broadband-customers through own infrastructure or in certain cases, shared infrastructure/last mile access. The **Rail Wire** can be given through **Metro Ethernet** as well as through EOC (Ethernet over Co-axial) cable carrying your CATV signals.

Rail Wire can be provided to Corporate/Offices & individual home/customers through the existing cable network as well as through Radio Frequency with a Service Level Assurance of at least **90%** availability. The connectivity ratio of the home plans will be at 1: 4 and SME plans will be at 1: 2. And our technical team will attend the call within 2Hrs of getting complain and will restore the services at the minimum possible time.

RailTel is working, to fulfil the Govt. of India's aim to extend the Broadband Service to the masses via National Telecom Policy 2012, through its broadband service in the name of rail Wire. In the same line of serving companies of National interest, we wanted to give broadband service

The plans and the prices required at the required locations mentioned are as under:
